The 1969 ALHAMBRA has tried to capture all facets of campus life in a frank and familiar way, to capture people in the act of being themselves. The purpose of this theme, Candid Campus, is to remind students in the future of the humor and lightheartedness of high school life.

Every Tuesday after school, from January through May, a small core of Writers' Guild members methodically pored through a seemingly endless stream of poems, short stories, and essays submitted by Alhambra's budding authors. The best of these 300 plus entries as judged by the Guild appear in the annual student creative writing anthology, the *Silver Pen*.

This year, the *Pen* accented humor, featuring the winning story in the Guild's "Wheel of Fortune" humor writing contest. Art was also stressed. University professors and professional writers were obtained to choose the top manuscripts submitted in each of the short story, poetry, and essay categories.

Cramming AHS life into a few pages of type each week has been the job of *THE MOOR* staff.

Under the direction of Advisor, Mr. Ted Tajima, and Semester I and II editors-in-chief John Tidd and Rich Wiseman, first and second-year journalism students pounded typewriter keys, snapped pictures, sold ads, and sometimes met deadlines in reporting all phases of campus activities.

The editorial staff assigned beats, copyread and rewrote stories, wrote

headlines, laid out pages, read proof, and worried a lot to keep *THE MOOR*'s quality equal to that of its NSPA "Pacemaker"-winning predecessor of last year.

*MOOR* staffers showed their journalistic talents by winning awards in the annual Journalism Education and USC writing competition. Mr. Tajima was also recognized by the California Newspaper Publishers Association as the year's outstanding high school journalism advisor.

Only before a deadline are this many staffers working hard together

The people who make up the staff of THE ALHAMBRA Alhambra's yearbook, are a diverse lot. The staff must be familiar with yearbook operations, section management, and artistic appreciation. In addition to these general skills, each member of the staff is an expert in one field. Specialists in art, business, photography, typing, organization and management combine their talents to produce THE ALHAMBRA.

## Chamber Singers Earn Hawaii Trip

The Alhambra High School Chamber Singers, a group of select musicians from the A Cappella Choir under the direction of Mr. A. J. Palmer, had an exciting year during 1968-69. The group of sixteen singers was invited to attend and perform at the MENC Western Region conference in Hawaii during

the Spring Vacation. Much of the early part of the year was spent in selling candles and chocolate in order to raise the money to go to Hawaii. The Chamber Singers performed at many civic functions, but Hawaii was the performance the group of ten seniors and six juniors looked forward to with the most enthusiasm.

## A Cappella Choir

The A Cappella Choirs presented over ten performances during 1968-69. One of the highlights was performing the chorus part in the all-school musical, *KISS ME KATE*. Many choir members landed speaking parts in the play, also. Another climactic performance came in

the Third Annual Alhambra City School District Festival, at which the choir of AHS, Mark Keppel, and San Gabriel combined to present eleven numbers. Many performances were presented at elementary schools in the Alhambra District, while others were put on for clubs and churches.

# MOOR SPIRIT

Moor spirit was greatly improved through the efforts of pep squad and the rally commissioners Chriss Cormalis and Carroll Lewis. A new facet was introduced with the first annual sunrise dance, held at 6 00 a.m. on the morning of the Keppel game. The award winning song and yell leaders and majorettes bolstered Moor pep at all the athletic events.

SONGLEADERS—Renee Smith, Diane Witting, Gayle Minix, Sheila Dill, Sharon Dill, Jodylyn Dempsey

## *Pep squad sparks Moor spirit*

The pep squad brought pep spirit, and enthusiasm to MOOR crowds at every sport event. They not only promoted crowd spirit but they boosted team spirit by decorating the teams locker rooms before the games and after the games the pep squad supplied cake and cookies for the team.

The entire pep squad competed with 30 schools during the spring at Arroyo High School.

## "A Taste of the Past"

By best representing the 1968 theme "A Taste of the Past," Las Maravillas won the homecoming trophy with their float, "The First Thanksgiving." All the floats were planned and built by the AHS service clubs. The announcement of the winner was made by Dave Hull, and the trophy was presented by social science department head Mr. Shipman. Junior Optimists' "Red Baron," and Las Moras' "Moraseurus," took honorable mention in the float competition.

An AHS graduate, Dave Hull, KRLA disc jockey, was the master of ceremonies at the homecoming activities.

## AFS FOR BETTER WORLD UNDERSTANDING

During the past year Mikko Koistinen has been a student at AHS. Mikko, who has spent his year at Alhambra at the home of Mr. and Mrs. William Fitt, is from Oulu, Finland.

Like most Moors, Mikko has had a busy schedule. His classes have included American government, algebra and trigonometry, American literature, physics, typing, and physical education. Mikko, who says physics is his favorite subject, is fascinated by the differences as well as similarities between the U.S. and Finland. A member of the junior varsity basketball team, some of his hobbies include the guitar, snow skiing, swimming, and classical music. When he returns to Finland, Mikko would like to finish his high school education and go on to a college or university.

# Senior Council

With a wealth of knowledge accumulated during three years of tardies, lost books, shared lockers, term papers, pep rallies, football games, and report cards, the class of 1969 reached their goal as seniors. Under the leadership of class advisor Mr. Larry Spence, the class council conducted the business of the class. Members of the Senior Council were John Shoemaker, Chuck Johnson, Debbie Rossman, Karen Valenta, Yolanda Aguilar, Dave

Fukuzawa, Jan Haggerty, Judy Johnston, and Pat Kendall. Items on the agenda were the all-night party, graduation, and the selection of the senior personalities. The excitement of the upperclassmen grew as graduation came near, and a massive epidemic of "senioritis" set in. The exchange of senior pictures and the obtaining of senior keys added to the general feeling of responsibility as seniors prepared to leave AHS.

## Service Clubs: Service to School and Community

Mooville is headquarters for nine service clubs, one of which has just completed its first year, Leos. Service to school and community is the primary function of the service clubs. In addition, members enjoy school activities.

The girls' clubs babysit, serve at dinners, make stuffed animals for children, sew slippers and pillows, and manufacture favors for convalescent homes.

Male service club members dug mud after heavy rain storms, ushered, built Rose Parade floats and guarded them, accompanied the Christmas Committee to Arizona and collected money in muscular dystrophy canisters.

## 22 Varsity Gridders Graduate

Injuries and inexperience plagued the Moors during the 1968 season. In spite of the efforts of All-League linebacker Chuck Martinez, AHS was unable to win any of their nine games.

After losses in the pre-season games to top-ranked Redlands and Long Beach Wilson, the Moors opened Pacific League action against Monrovia. The tough Wildcats rolled over the Moors, which set the stage for consecutive losses to league champion Arroyo, Rosemead, San Gabriel, El Monte, arch rival Mark Keppel, and Arcadia.

The most exciting game of the season was homecoming, against the Lions of El Monte. El Monte was trailing 14-12 with little more than 4½ minutes remaining, when the Lions struck for two quick touchdowns to take away the Moors' chance for victory.

In spite of the record of the football team, good crowds were present for all games.

Alhambra's bee team started off the season with a one and one record for the pre-league games. The opening league game was a terrific win for the team over Monrovia; Arroyo also fell victim to the bee machine. Next came the Rosemead Panthers who put a temporary halt to the bees winning streak. Menasco's men bounced back to defeat San Gabriel and El Monte. November 8th was black Friday for the team when they lost to Mark Keppel. In rainy weather the bees faced Arcadia at Moor Field. Unfortunately, luck ran for Arcadia who won by six points. The bees ended the season with a 4-3 record for league action.

The varsity cross country team of AHS completely dominated the Pacific League scene in 1968 as they proceeded to the CIF finals for the second year in a row. Led by outstanding harrier Fred Maier, the Moors broke a four year reign by Arcadia to take the Pacific League title. Maier set new track records on every course visited by the Moors in dual-meet competition. Training by Coach McFate and Coach Larson aided the Moors to tenth best in Southern California.

Coach Ron Larson and Coach Chuck McFate time runners during practice.

Varsity hammers Mike Lozoya, Fred Maier, and Chris Toimasov topped the Pacific League scene with times of 9:52, 9:37, and 9:58 respectively.

## Varsity Track

The 1969 track season saw a small but powerful Moor squad dominate the recently revised Pacific League. Because of the team's diminutive size, individuals were forced to stretch their talents in many events. Kenny Monteith, Alhambra's power house, clocked excellent times in the 440, 880 and mile relay throughout the season. The distance events were sparked by the consistent wins of Fred Maier, Mike Lozoya, Andy Padilla and Chris Tolmasov. Alhambra's sprinters led by Babe Kubo, Kent Walberg and Peb Jung raked in many meet winning points, as did the hurdlers Jon Kitahara, Rodney Takaki and Tom Boyd. Posting fine marks in the field events were pole vaulters Kevin Hansen and Charles Piccirillo, long jumpers Tod Mitcham, Rod Takaki, Gary Spinelli, and Ed Gee and high jumper Tony Tornabane. The mile relay team composed of Monteith, quarter miler John Coloccia, Kitahara and the two Pearson brothers, Andy and Jeff added to the team's overall strength.

Builders of the strong track team were Coach Phil Keathley, team captain Kevin Hansen, Coach Ron Larson and head Coach Chuck McFate.
